

**2023 Community Service Project  
Heartland Hope Mission  
Adopt-A-Family**

The family we have adopted for this holiday season has 4 children who need holiday gifts. Please consider either donating money to be used to shop for the desired items or purchasing an item to donate.

Items and money are needed by the end of day Monday, December 4th - please give to Janelle or Jeannette. If you want to purchase something specific, please send Janelle an email so we don't end up with multiples of the same item(s). [jcomer@sghredglaze.com](mailto:jcomer@sghredglaze.com)
